

Les Gravières

Château Les Gravières

Appellation: Saint-Emilion Grand Cru

Varietal: 100% Merlot

Terroir: Terroir 4.5 Ha (11 acres) in the communes of St Sulpice de Faleyrens and St Laurent des Combes. Sandy gravel, deep gravels, cool ferriferous sub-soil.

Vines: Average age 38 to 45 years, planting density 5500 plants/Ha. Vineyards grassed and drained. Average yield 35 Hl/Ha.

Viticulture: Deleafing and green harvesting in June and August, manual removal of spurs, soil improvement using organic materials exclusively. Manual harvesting with rigorous selection on tables.

Vinification: Fermentation in thermostatically controlled stainless steel vats, cold maceration at 6° for 8-10 days before fermentation, long (>30 days) vat fermentation, *délestage* (the juice is removed and poured back over the cap to moisten and break it up) and *pigeage* (the cap is forced into the juice), malolactic fermentation in new barrels. Aging on lees. Aging in 100% new barrels for 16 months.
